

# ENROLLMENT OF CLASS #27

Applications are now being accepted for Class #27 of the Service Technicians Training Program scheduled to start January 12, 2004 and will run until April 9, 2004.  
Enrollment Deadline:  
*December 30, 2003*

**N**ow in its 14<sup>th</sup> year, the Service Technicians Training Center (STTC) has continuously designed and delivered courses which reflects the highest quality training for its members' development and success in the HVACR industry.

The trainers who deliver these courses are all specialists and have first-hand experience working within their respective fields. They understand the issues and challenges facing the HVACR industry. This level of expertise has secured STTC in its commitment to adhere to its mission of "training for excellence."

Classes meet once a week, from 8:00 a.m. to 4:00 p.m., 26 weeks a year, from September through April - learning that doesn't interfere with the employers' busiest months.

Companies currently sponsoring students include:
